Products:

Holiday Rambler: 2004-2007 Navigator Class A motorhomes

Monaco: 2003-2006 Signature and 2004-2007 Executive Class A motorhomes

Beaver: 2007 Marquis Class A motorhomes

Date: June 16, 2006

Dear Monaco Coach Corporation Dealer:

Monaco Coach Corporation has been advised that Detroit Diesel has initiated a recall pertaining to the ECM reprogramming to avoid potential turbocharger failure/fire. These were included in Holiday Rambler 2004-2007 Navigator, Monaco 2003-2006 Signature, 2004-2007 Executive and Beaver 2007 Marquis Class A motorhomes.

Should a customer have a complaint concerning the turbo or excessive engine compartment heat, please refer them to Detroit Diesel.

Monaco Coach Corporation recommends that you identify any motorhome(s) at your dealership and contact a local Detroit Diesel distributor for upgrade. This service will be performed by Detroit Diesel at no cost to you the dealer and/or retail customer.

Please reference the Detroit Diesel product recall number 06C-4 and the engine serial number when scheduling an appointment to have this service performed. Monaco Coach Corporation requests that you contact Detroit Diesel at (313) 592-3708 for help in locating a distributor, for claims processing or other questions regarding this upgrade.

Thank you,

Chuck R. Zucker
Technical Coordinator Supervisor
Monaco Coach Corporation
