FOR IMMEDIATE RELEASE

NEWMAR CORPORATION TO SUPPORT ANNUAL VETSROLL

Nappanee, Ind.-Newmar will partner with VetsRoll.org to help honor our Country's Veterans by lending a Ventana 4337 diesel motorhome from May 20-23, 2012 to use as the pilot vehicle for the 10 Prevost charter coaches filled with veterans and support staff traveling to Washington, DC. President of VetsRoll.org, Mark Finnegan and his family (family owners of Finnegan's' RV Center, Inc. in South Beloit, IL since 1969) will be piloting the Ventana.

VetsRoll.org is a program which has raised funds since 2010 to charter buses to take WWII Veterans and the "Rosie the Riveters" (the ladies who entered the workforce in WWII, allowing our factories to continue running) to experience their memorials.

The VetsRoll will start off on Sunday, May 20th departing Beloit, WI at 5:59am with a total of up to 200 Veterans.

The 2012 tour consists of:

- Flight 93 Memorial, Shanksville, PA
- Iwo Jima marine Memorial
- Korean, Viet Nam and Lincoln Memorials
- Arlington National Cemetery
- Tomb of The Unknown Soldier
- WWII Memorial in Washington

"It is truly a privilege to provide Vets Roll with my personal motor home for use as a command center to assist with organizing their trip to Washington D.C.", said Matt Miller President of Newmar Corporation.

He went on to say, "Honoring these veterans of our great nation, who have served as far back as World War II, on their trip to our nation's capital is tremendous. I'm glad to be a part of this event in some small way."

VetsRoll.org mission is to give the Veterans the gift of thanks and memories for the incredible sacrifices that they made in the name of Freedom so many years ago. You can help honor our country's aging Veterans. Please visit www.VetsRoll.org to donate or call to make a donation at 800-383-2267.

Established in 1968, Newmar is an innovator and leader in the RV manufacturing industry and recognized nationally for its excellence in quality. Newmar is located at 355 N. Delaware Street, Nappanee, Indiana. For more information, please visit our website at www.newmarcorp.com
