

Thor Motor Coach, North America's most trusted and chosen motorhome brand since 2010, will be showcasing a slew of new Luxury Diesel Pushers, Class A, Class B+, & Class C **motorhomes** at the upcoming Pennsylvania RV Show in Hershey, PA. Gates are open to the public September 12-16, 2012. The **Hershey RV Show** is known as the World's Largest RV Show, and we expect that this year will be even bigger.

Here are some of the exciting new 2013 products you'll see in Hershey...

Thor Motor Coach's dazzling new **HD-MAX™ Full Color Exteriors** will absolutely be show stoppers. Our new innovation in exterior décor is going to turn the motorhome market upside-down. These amazing new exterior color packages cost thousands of dollars less than the existing décor schemes, but maintain all the beauty. Look for all the options and colors of our HD-MAX™ Full Color Exteriors on our popular **A.C.E., Hurricane, Windsport, Four Winds, & Chateau** brands of motorhomes in the Thor Motor Coach/Camping World RV display.

CLASS A MOTORHOMES

The already best selling **A.C.E.** brand of motorhomes gets a little bigger with the introduction of the **30.1** model. This new double slide model features a 32" LCD TV uniquely mounted in a way that all seating positions in the coach can watch. See why the A.C.E. is the best selling gas Class A motorhome.

- A.C.E. = class **A** & class **C** Evolution
- Pet & Family Friendly / EZ Clean
- Cockpit Overhead Bunk Sleeper
- Compact & Easy to Drive
- HD-MAX™ Full Color Exteriors Optional
- Thor Motor Coach's Motorhome Mud-Room™
- PC Workstation & Tech Charging Station

What's up with the **Windsport**? Everything!! The new interior height makes the coach even more livable, with increased storage making it a perfect full-timer. The gas-powered class A Windsport is driving the market for luxury and economy.

- HD-MAX™ Full Color Exteriors Optional
- Optional Cockpit Overhead Sleeper Bunk (Most Models)
- 30' to 35' in Length
- **33G Bunkhouse** Floorplan Available
- Thor Motor Coach's Birds-Eye View Safety Window™
- Available in 4 floor plans

The redesigned **Hurricane**, one of the best selling Class A motorhomes of all time, gets the party started with the biggest overhaul of interior and exterior styling in its class leading history. See how the Hurricane is turning heads with dynamic new exterior looks, and wows campers with increased interior ceiling height and expanded interior storage capabilities.

A long with the new Hurricane designs you'll find the 35 foot **34E**, and rear bath + bath and a half coach.

CLASS B+ & C MOTORHOMES

The **Four Winds** and **Chateau** Class C's will anchor the Class C display with the best combination of value and substance. Look for the new **31L** floorplan with an innovative kitchen design with massive countertop spaces and a new 32" LCD TV setup that keeps families together for the big game.

The fuel efficient **Siesta** and **Citation** motorhomes have an exciting offering highlighted by the creative use and abundance of exterior storage. Fun items like campsite stereo speakers and removable rear TVs make these models great for tailgating too. If you're looking to go diesel, look no further, the Siesta & Citation are available on the diesel sipping **Mercedes-Benz Sprinter RV** chassis.

Look for the new **24SR** model on the Siesta Sprinter and Citation Sprinter brands. The 24SR has two slide-outs with one logically place on the rear wall in the bedroom.

Luxury Diesel Pushers

You're invited to submerge yourself in the life of luxury, let **Tuscany** be your vacation home. Think of it as your own private villa that is conveniently located everywhere you want to be. With breathtaking styling, elegant comfortable furnishings, and all the amenity you would find in a 5 star resort the Tuscany is the beginning of a long list of memorable luxury vacations.

Along with five already popular floor plans like the 45-foot **45LT** luxury liners or the compact and luxurious **36MQ** look for the brand new unveiling of the 42WX. The Tuscany 42WX is a 450 horse power pusher with a large rear bathroom / dressing room plus a half bath at mid-ship.

The Palazzo compact diesel pushers make their Hershey RV Show premier on the 12th. These coaches pack all the goodies of the big-rigs in a low-profile, under 12 foot tall package. With a length under 35 feet these pusher even remain state park friendly. The Palazzo line has already earned a reputation for being the best value in its class, in addition to appealing to luxury gas class A shoppers too.

With three of the best floor plans including the new **33.2** with a near full wall slide, the recently unveiled **33.3** Bunkhouse that can accommodate up to 10 sleepers, in addition to the original **33.1** with its gigantic Mega-Storage™ storage compartment and Always-in-View™ TV slide system the 2013 Palazzo is sure to be a crowd pleaser.
